

Other Bus Investment

- Franchised bus network to flexibly respond to changing travel demand
- Investment in a zero-emission bus fleet

Other Rail Investment

- Devolution of our rail stations to allow for more local control
- Expansion of the Merseyrail network within and beyond our borders

Other Transport Investment

- Investment to support ambitions to achieve net zero carbon by 2035
- Road safety investment to work toward **Vision Zero**, with no deaths or people seriously injured on our roads
